Visual problem solver with a passion for UX/UI design. Experienced in fast-paced client facing design role with education in marketing, advertising and visual communication. Keen to contribute as part of a team and add value. Always looking for the next challenge.

Experience

01/2021 – present
Berlin, Germany

Phiture
Graphic Designer
Broad ranging design work for well known clients at mobile marketing agency specialising in app store optimisation.
• Design of app store assets for clients to increase conversion
• Design of marketing materials
• UX/UI design of internal digital product
• Working in cross-functional client-facing teams
• Working with a variety of mobile apps

02/2019 – 07/2019
Berlin, Germany

N26 Bank
Customer Support Specialist
Supporting clients with queries via chat, email and phone. Problem solving and negotiation skills were crucial.

02/2017 – 02/2019
Berlin, Germany

Booking.com
Guest Services Specialist
Communicating directly with guests and hotel partners to mitigate and problem solve, often, very difficult, stressful and time-sensitive situations.

Education

03/2020 – 05/2020
Berlin, Germany

Ironhack
UX/UI Design Bootcamp
Applying user-centred design principles to research, test, iterate and create digital interface solutions through wire-framing, prototyping and testing.

09/2014 – 06/2016
Edinburgh, UK

Telford College
HND Visual Communication (Illustration)
Working on live projects, I built an illustration portfolio and added to my design skills

09/2006 – 05/2007 Edinburgh, UK	**Napier University** *MSc Creative Advertising* Studied Communication theory in tandem with live project-based work in advertising copy and art direction.
09/2001 – 05/2005 Stirling, UK	**University of Stirling** *BA (hons) Marketing* Focus on broad ranging theories of business strategy and communication
